Challenge ends at 6:00 PM, 28th November, 2021 🕒

Hackathon Task Link - [CLICK HERE](#) ➡

Note 1: It is a mandatory Hackathon for all Innomatics Interns.

Note 2: For Innomatics Students from batches 105 to 113, 115 and 116, you will have the Hackathon Task shared on your respective batches.

How to Participate?

Like the post and Comment with an emoji in the LinkedIn comment section of this post.

Post Link - [CLICK HERE](#) 😊

A couple of participants will receive a pizza party during the hackathon event everyday. 🍕

Note - Selection of Pizza Party winners will be purely random. Only the people who have liked and commented on LinkedIn will be eligible for Pizza. 🤔

What's in it for you?

1. Explore, Compete and Learn 🧠
2. Get a chance to get the internship opportunity with **Innomatics Research Labs**
3. Best submissions will be invited for full time opportunities from our Hyderabad office
4. Pizza party for some lucky participants

How to submit?

In order to submit your work, follow the instructions given below:

- a. Fill this form after completing the Hackathon Task:
 - i. Click here to fill the form - [Submission Form](#)
 - ii. Only one submission per user is allowed.
 - iii. Plagiarism will result in disqualification from this challenge and any future open challenge and internship opportunities.
- b. (Optional) Write a post on LinkedIn about the experience. Don't forget to tag **Innomatics Research Labs** and use the hashtag mentioned below:
